

SCHEDULE 8

In pursuit of clause 25.7 of this Agreement, [REDACTED] acknowledges that the Services Provider has since received specialist tax advice and that the parties agree to incorporate the additional clauses below from the date on which both parties have signed this Schedule 8:

- 25.8 Where withholding tax ("**WHT**") is potentially to be imposed, the parties will work together to pursue double tax agreement ("**DTA**") relief or any exemptions from WHT available to public sector organisations.
- 25.9 [REDACTED] agrees that any funding paid under this Agreement or Work Orders shall be paid free and clear of all deductions or WHT. If any such deduction or WHT is required by law, [REDACTED] shall pay to the Service Provider such additional amounts to ensure the Service Provider receives the full agreed net amount and no such deduction or WHT has been applied.
